

Brave Behind Bars

Final Presentation Guidelines

Schedule:

- September 5th, 1-3:30PM: Maine students*
- September 7th, 1-3:30PM: DC and Massachusetts students*

*For groups working together across these two groups (e.g. Ashlynn and Felicia), let us know if you want to give two separate presentations, or if we should arrange for one of you to join the other session.

Length:

- 3-5 minutes per person
- It's important to not go over 5 minutes so that we can stay on schedule!

Content:

1. Share your screen with your website and talk through the content, especially:
 - a. Mission statement
 - b. Why you chose this topic / what it means to you
 - c. The different sections / pages of your website (perhaps using the navbar to go between)
2. Show a piece of code that you're particularly proud of and explain what it does
3. Conclude with any major takeaways from the course / what the course has meant to you
